

Memorial Championship a Huge Success!

A great big thanks goes out to all the folks that helped with this years event. We couldn't do it without all the efforts of our tournament staff and volunteers! And Discraft makes it all possible by supporting us with awesome discs!
The addition of the **Memorial Experience** was impressive with a reported 1,500 in attendance for the expo, NT clinic, concert and more!
Thanks to **KLove/Air1 and Jeff Harris** for making it happen.
We are very pleased and proud to announce that a **donation** in the amount of **\$1,500** was made to **the American Cancer Society** in the tournaments name!
Please take a moment to check out the results and see a list of all our **sponsors** at <http://memorialchampionship.com/>

Fundraising Efforts

Fundraising for new baskets is ongoing at **Emerald Park**. Please support the Emerald crew by playing the **Monday Handicap League**.

2011 **Memorial fundraising** efforts are under way! The Tuscon Chain Lightning (TCL) crew generously donated a hand made portable mini basket crafted by Ben Vosper. This incredible basket is valued at \$650 and already on display at Spinners on the Green! Raffle tickets can be purchased for \$2 each. Check out the attached picture or stop by Spinners to see the real thing and buy a ticket.

Congrats to **Greg Patrenos** for winning the 2nd First Run Buzz which was raffled to a club member for referring a friend to join! A big thanks to all our new and returning members for supporting disc golf here in Arizona!

Nicholas Duran sets another World Distance Record

Nicholas Duran set a new World Record for distance by a 10 year old. After only his second attempt at the record, Nick punched out a huge 426 foot drive with a Champion Wraith. The record will be submitted to the [World Flying Disc Federation](http://www.wfdf.org/index.php?page=records/index.htm) where current and past records for distance can be viewed at <http://www.wfdf.org/index.php?page=records/index.htm>. Video will be posted at Youtube.com soon. **Way to go Nick!!!**

Lemmon Drop postponed

With the Mountain still covered in snow, The Lemmon Drop has been postponed and will be rescheduled for later in the summer. The new date will be announced as soon as availability is confirmed with the Park.

In it's place the **Showlow/Pinetop** crew have decided to add a **PDGA event, The King of the Mountain**, on May 15th and 16th. It will **not** be a cactus Series event for the 2010 calendar year.

Congrats to **Sam Russ** and **Tracy Fowler** on their upcoming nuptials!
