

**Hello Disc Golfers,**

### **New Course in Cottonwood Coming Soon**

Thanks to Paul Wurzer of Cottonwood, who recently gave a presentation to the city council explaining disc golf and how having a course there would benefit the community, a nine hole course has been approved for Riverfront Park in Cottonwood! Volunteers will begin clearing fairways soon in preparation for the new course installation! If you'd like to contribute to this project, please contact Paul

### **Double Eagle Open at Emerald**

The new baskets are in the ground and cement teepads are next! Boy Scout, Jason Hall is working on his Eagle project and has chosen to assist the Emerald Disc Golf Club with the fundraising and installation. Jason will be hosting the Double Eagle Open on Saturday, August 21st. It's a team competition and half of the \$40 team registration fee will go toward the cost of the new teepads. Please consider supporting this project and come out and play!

### **Course Improvements**

Payson Disc Golf Course is on its' way to becoming a full nine hole course! Payson approved the purchase of the old baskets from Emerald Park in Mesa and they will be going in the ground soon.

After much diligent fundraising, the Tucson Chain Lightning Club has purchased new baskets for Santa Cruz River Park. The new baskets should be installed by the end of August.

Stay tuned for future updates on course improvements!
