## Phoenix Ladies Open

The 2011 Phoenix Ladies Open was a success for the sixth year in a row as 36 ladies and their caddies had a fun day of disc golf. This year's event was a special tribute to Palette Rock to honor her determination and spirit during her journey to good health. All winners took home beautiful glass trophies etched and crafted by David Roach.

The course was challenging for all divisions as they navigated through the long layout and many water catchers. Sara Lange won the open title by four strokes, while Lori Hough took second, with Chris Dela Torre brought in a strong third. Suzi "Rox" Johnston took the open masters division over Rose Wasserstrom, and Vicky Wisecup from California brought in third. The advanced division was battled by Trina Lettig taking first and Monica Demick second, while Eboni Harvell and Bobbi Polk (mother/daughter) tied for third. Intermediates had the most players and paid out six spots as Jamie Harder took first, Jill Pierce was second and Juli Burns got third place. The top two recreation players, Deb Shapiro and Kelly Brooks, enjoyed their first ever Ladies Open and took home first and second, respectively.

Seven young ladies (juniors) came out to continue the streak and set another record for the most juniors to sign up. Desiree Duran won first place with a great round of 82 and Azrielle Rogers made it a close second. The other girls who followed close behind were Mataya Begay, Xanti Rogers, Mikel Begay, Trinity Taylor and Mercy Taylor.
